## Declaration on the compliance with the European legislation RoHS 2

We **DBK David + Baader GmbH** as a supplier to **DBK Scandinavia AB** certify by signing this declaration that we fulfill the European legislation RoHS (directive 2011/65/EU on the Restriction of Use of certain Hazardous Substances in Electrical and Electronic Equipment and its subsequent amendments). This declaration covers articles listed below, delivered to **DBK Scandinavia AB**.

The use of lead-compounds in ceramic of electronic components like used in PTC - heating elements is granted by exemption 7(c) - I in annex III of RoHS directive 2011/65/EU. The use of lead in high melting temperature type solders is granted by exemption 7(a) in annex III of RoHS directive 2011/65/EU.

Associated product-specific EU - Declarations of Conformity will be created in individual cases on request. If products delivered to you are elementary parts or components, there is no CE - labeling because security (e.g. protection against contact, connectivity, distances, ...) will only be defined by the installation in the final product.

We as a supplier shall, when conditions are changed that concern the content of this declaration, inform **DBK Scandinavia AB** without delay.
